

LoA Day 2010

Guidelines for Leaders and Patrols

LoA Day is almost here! The following guidelines will explain everything that your patrol needs to know in order to be successfully involved in the activity. Please pass these guidelines to your patrols WITHOUT DELAY. Thank you!

As every year, the Lands of Adventure day is challenging your creativity and asks for your patrol spirit to be at the centre of your actions. By completing the LoA Day tasks you will get to know better other Scouts, other cultures, other countries and live the European adventure without having to leave home!

1. A nice picture showing the best smile of the patrol
2. A recipe for a traditional food from your country/region (a detailed explanation of what is needed and how to cook + support images and documents, if needed).

Please visit the LoA Day website or contact your National LoA Ambassador for more details...

Finally ... the Reward!

All patrol members who complete the tasks will receive a LoA Day Pin from the European Office. These will be sent out to patrols in April.

And...well done!!

Remember that all the patrols who want to participate in the LoA CAMP 2010 (in August, in Greece) would have to participate and complete the tasks of the LoA Day 2010!
